

# EZ Step2

Portable Foot-Activated Dispenser

The EZ Step2 Portable Foot-Activated Dispenser delivers an atomized spray of Alpet® E3+ Hand Sanitizer, Alpet® D2 or Alpet® D2 Quat-Free Surface Sanitizer for convenient sanitization. This system is ideal for reducing bacteria before they move throughout the plant.

**Atomized spray saturates** fingernails, cuticles, creases and crevices of the fingers and hands where pathogens hide.

**Hand Sanitizer**

**Glove Sanitizer**

**Tool Sanitizer**

**NEW AND  
IMPROVED**
